The Chief Secretary to the Government
of His Highness the Maharaja of Mysore,
BANGALORE.

Dear Sir,

Subject:- Time Signals for workers.

I beg to invite kind reference to the "Control of Sounds Order" issued with the Government Notification No.2251-W., dated the 17th April 1942. In accordance with Clause (1) of this Order, no sirens (including hooters), whistles or bells are being sounded in the Works, except for the purpose of an authorised Air Raid Signal. But the workers have been representing lately that they are finding it very inconvenient to attend the duty in time for want of 'time signals' which were being given prior to the above Order coming into force. In addition to the Steam whistle, the Works have an Electric Siren. It has been proposed to sound the Electric Siren for "Time signals" for workers, reserving the Steam Whistle for the Air Raid Signals. I request you to kindly arrange to obtain exemption in this connection under Clause (4) of the Order and communicate to me. In the meanwhile, in anticipation of Government Orders, I am issuing a notification in the area to the above effect.
